

## ALABAMA CHRISTIAN ACADEMY MARCHING EAGLE BAND

### 2017-2018 BAND UNIFORM INSTRUCTIONS

Most ACA Marching and Concert Band students are issued a uniform, which consists of a maroon jacket, black bibbed pants, garment bag, black hat, and hat box. Students in color guard and pit, the drum majors, and tuba players may not have been issued hats. We are so thankful for these uniforms. They are very expensive (\$500 replacement value), so we request that both parents and students take pride in their care. We recognize there will be wear and tear on the uniform, but you will be responsible to mend tears and replace lost or severely damaged uniforms.

#### **UNIFORM CARE:**

- Do Not Cut any material off the uniform – Pants and sleeve lengths may be hemmed or let out. Dry-Clean jacket and pants at least after every two performances.
- Do Not Store the uniform with the cleaning bag over it in the garment bag. It will cause fading. Replacement Buttons: We have a supply of these.
- Repair: Have tears professionally mended but contact me for anything else. Some repairs are under warranty from the uniform company.
- Recommended cleaners: Dixie Cleaners, Jim Massey Cleaners, Worth Cleaners
- Uniform Return: • Uniforms are returned after the end of marching season. (Date TBA).
- All uniform parts must be returned with a Dry Cleaner Receipt dated after the last performance or picture.
